

BANKZEE IS LOOKING FOR A FAMILY BANKING SALES EXPERT WHO IS COMFORTABLE IN THE BANKING INDUSTRY AND REPRESENTS OUR COMPANY WITH GLITTERING EYES

YOUR FUTURE RESPONSIBILITIES

- Travel often to CEE and EU capitals and build up a pipeline of interested banks for our family finance mobile software
- Easily get in conversations with bankers about family/youngster banking engagement and onboarding
- Continuously talk to interested financial institutions until they are ready to implement our tools
- Be the expert they can call anytime
- Share related articles with partners regularly
- Bring onboard company experts when needed

THE PERFECT CANDIDATE IS:

- Highly interested in family and millennials banking topic including self tailored and SW product solutions
- A consultant / technologist / banker
- Self-motivated to learn and share her/his knowledge
- Capable of self-organising her/his task and weekly workplan
- Fresh to the industry
- Able to work independently or in a team
- Willing to start working in Budapest or Miskolc

WHAT WE OFFER

- Remuneration that suits your knowledge and experience
- Young, dynamic and at the very same time highly professional team
- Trainings, exams, conferences - all what you'd need for your personal development
- Flexible work schedules
